Amy,
Looking forward to the event as well. The standard bio should have already been provided to you. And I am more than happy to do the follow up blog session with you. See you soon.

Best regards,

Michael,

We have a bio that we included in our print program.

If you have a bio you prefer I use for your introduction, please send it my way.

Otherwise, I think we're good to go.

Are you open to us doing a follow-up to your presentation for me to make you my next Wolfe's Word blog feature? I interview agency leaders and share those insights with our network. Check it out here: <http://www.agsafe.org/wolfes-word-blog/>

We can either take a few minutes at conference or schedule a short call, whichever is best for you.

Many thanks!

Amy

Hi Mike,

We are so excited you'll be joining us in a few weeks as our keynote speaker to share your priorities and perspectives.

I will be introducing you and serving as moderator for your Q&A.

Would you like to touch bases by phone prior to the event to coordinate details, including areas of focus for your remarks? If so, please let me know the best dates/times for us to talk over the next week or so.

I'm looking forward to catching up, as well as hearing your insights into Region 9.

All the best,

Amy
